Dear Sir/Madam

Proposed Road at West Walberton Farm BN18 0QH

I am enclosing a prior notification for the above on behalf of Gerald Sercombe of Gaston Farm, Slindon to improve access to his new barn at West Walberton Farm (WA/59/11)

Mr Sercombe has a right of way to his land off West Walberton Lane via an existing access point at Grid 496324, 106491. This point connects with the proposed road across 50m of existing made-up road, and affords better visibility up and down the West Walberton Lane than the current access point at Grid 496324, 106377.

Please let me know if you require further information to help you determine this application.

Yours faithfully

Charles Baines
