31st July 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with some matters reserved for up to 175 dwellings, new vehicular access, together with associated car parking, landscaping & community facilities to include allotments, play space & community orchard. This application is a Departure from the Development Plan & may affect the character & appearance of the Walberton Village Conservation Area.

Land East of Tye Lane Walberton

Thank you for your internet representation made on 30th July 2017 which has been recorded as **'an objection'** with the comments as follows:

I am writing to express concern on this large scale development in the local area for the following reasons:

- 1) I do not see how the local primary school is capable of further expansion.*
- 2) The local doctors is already at its maximum capacity.*
- 3) The area will impact the tranquillity of the school environment.*
- 4) The access off of the A27 at both Tye Lane and Yapton Lane for this area is already unsafe and inadequate and planning for new developments cannot take in to account unknown potential A27 upgrades.*
- 5) The traffic through the narrow centre of Walberton going past the school will naturally increase.*
- 6) Local bats, owls and other wildlife will be affected by the loss of habitat.*
- 7) A Neighbourhood Plan and the Local Plan was agreed upon by the local residents. We accepted development as a necessary fact but this area was rejected as unsuitable.*

Thank you.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do

not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
