West Sussex

31st July 2017

Dear Michael Eastham

I wish to object to the Planning application at Tupperts Field,
Walberton on the following grounds.

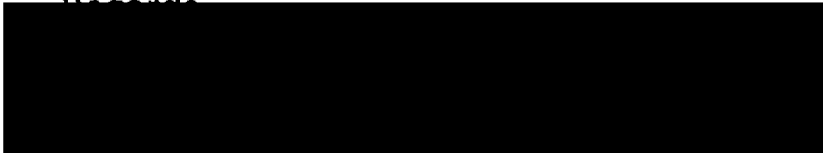

This application is in conflict with the local neighbourhood plan.
Indeed, why encourage Parish Councils to produce a neighbourhood
plan if it is going to be ignored.

The access to the site will be on to a very busy and dangerous Yapton
Lane.

The proposed development will be intrusive in the local landscape.

It will change the rural character of the village and it sits outside the
boundary of the built up area.

Respectfully

Brian & Elizabeth Sullivan
