FAO Michael Eastham,

As a resident of Walberton, I object very strongly to the proposed development on the above site-

As it is a loss of green space near the centre of the village.

It is very near to the school and will increase the flood risk.

All past assessments have objected as it is not suitable for development and will harm the rural character of the village and surrounding conservation area.

from Shirley Cleall

Hatpins, Avisford Park Road, Walberton
