Land East of Tye Lane Walberton

Thank you for your internet representation made on 6th August 2017 which has been recorded as '**an objection**' with the comments as follows:

Dear Sir

I live in Walberton and writing to object strongly to the planning application on Tupperts Field, Yapton Lane, Walberton.

The villagers spent a lot of time and effort putting their village plan together and finding 60 plus sites for building within the village. This plan was approved by the Parish Council and villagers. This scheme for houses on Tupperts Field is both outside the Village Plan and is on cherished green space within the village and outside the built up area.

A development of this size with the associated traffic will impact upon the local roads which are simply not suitable. The village main Street, is narrow in places and often has severe congestion especially with the local school traffic twice a day.

The local amenities (Schools & Doctors) are inadequate to cope with a large increase in the population.

The development will substantially destroy the rural aspect of the village.

Yours faithfully
Christine Llewellyn (Mrs)

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most

are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
