Michael Eastham

7th August 2017

Dear Sir/Madam

**Town & Country Planning Act 1990 (as amended)**

**Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5**

---

Outline application with some matters reserved for up to 175 dwellings, new vehicular access, together with associated car parking, landscaping & community facilities to include allotments, play space & community orchard. This application is a Departure from the Development Plan & may affect the character & appearance of the Walberton Village Conservation Area.

Land East of Tye Lane Walberton

---

Thank you for your internet representation made on 6th August 2017 which has been recorded as '**an objection**' with the comments as follows:

*This development is unlawful as it is outside the boundary for development. Too many new houses in one place will be detrimental and cannot be assimilated into the village and the surrounding rural countryside. The lanes and narrow roads through the village are already too busy and it is dangerous to walk or ride. The villages of Fontwell and Walberton have a long standing affinity with horses and there are many in the fields around both villages. Riding is a popular pastime here. The increased traffic and noise will have a negative impact. All our schools, surgeries and roads are already full, and we still have to absorb the additional houses, not built yet but already approved. The stress of noise, pollution and density of population destroys the very reason we choose to live here. There are no facilities as in a town, there is just the relative peace of living surrounded by nature, knowing our neighbours and without this there is no point of being here.*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther  
Group Head of Planning
