Subject: Planning Application WA/44//17/OU Walberton

Dear Sir,

As a member of Avisford Golf Club and a representative of more than 50 members of Arun East U3A who play there regularly twice a week, I am most concerned about the Application.

- 1) The plan does not meet any of the requirements of the Walberton Neighbourhood Plan which has been produced in response to the Government's policy.
- 2) The Golf Course is very attractive and housing so close to the first two holes would be vulnerable to stray balls (a feature of my game and of many of my friends). There would be a particular danger to children and vehicles and pedestrians on the adjacent road.
- 3) Yapton Lane is very narrow and much more traffic would be a greater risk to safety and access.

David Silver
