This application is a Departure from the Development Plan & may affect the character & appearance of the Walberton Village Conservation Area.

Land East of Tye Lane Walberton

Thank you for your internet representation made on 9th August 2017 which has been recorded as '**an objection**' with the comments as follows:

This planning application was not part of the carefully considered Neighbourhood Plan which considered the Parish as a whole keeping essential green spaces. The village has benefited by development still keeping its character over the years but a development of this size would alter the rural character of the village. The village has drainage issues in the past and extensive work has resolved this but the demands of such a large number of houses would undoubtedly put the systems under pressure again. The village street struggles to cope at school drop off time any increase of number of vehicles at that time could cause gridlock in the pinch points. There are numerous reasons that would mean that this development would be extremely detrimental. I have only listed a few. Basically it would be totally unsuitable and detrimental to the village of Walberton.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.
