Dear Mr Eastham,

I would like to declare my strong opposition to the building of houses on Tupperts Field, Walberton for the following reasons;

- The Neighbourhood plan which comprehensively sought the views of local people was clear that this site was outside the Built up boundary area and was therefore not suitable, no desirable for development. Local people do not want this development, that too is clear.
- This 'infill' would also completely ruin the isolated village feel of Walberton.
- As a resident of Binsted, I drive along Yapton Lane everyday and find it hard to understand how this already busy section of Yapton Lane could sustain the extra traffic that would be generated.

I hope our views, as residents of the area will be listened to.

Kind regards,

Gillian McCadden
