For the Attention of Michael Eastham

I Paul Jacklin of Tye House, The Street, Walberton, Arundel, West Sussex, BN18 OPH would like to officially object against planning application WA/44/17/OUT re Tuppens Field

My reasons for objecting are as follows:

- Our Neighbourhood Plan does not include this site
- Arun District Councillors agreed on the 12th July the site was not suitable for development.
- The site is outside the Built Up Area Boundary
- It will damage the Conservation Area setting and increase congestion in The Street
- This is putting too many houses in one place, not scattered about our villages
- There will be a negative for flooding and sewerage risks
- Highway issues: traffic generation, vehicular access, highway safety

Please can you acknowledge receipt of my objection via email or letter

Many thanks for your time

Paul Jacklin
