Subject: Tuppers Field

Dear Mr Eastham,

I would like to put on record my objection to the proposed development of Tuppens Field. 175 houses would represent in one location would completely change the character of the village and would mean that our village would shoulder the burden of development far more than other villages in the area. The village just does not have the infrastructure to handle this size of development.

Regards,
David Morgan,
Hazelwoods,
West Walberton Lane.
