Dear Sir

I have reviewed the proposal of Housing on Tupperts Field and would like to give my objections to you.

1) The entrance to the site in Yapton Lane will become very dangerous with additional numbers of cars from the site being in excess of 300/400 daily. This would put a strain on the road as it is a busy road all day with many large vehicles going to the various industrial sites within 5 miles, being an access to/from the A27. In addition access for cars from the golf course to Yapton Lane and greenkeepers equipment crossing the road will also be dangerous with the proposed road from the development being close to the golf course entrance.

2) Having studied the VILLAGE PLAN THIS TYPE OF DEVELOPMENT IS CONTRARY to Walberton plan.

3) No consideration has been given with regard to golf balls that sometimes go into the field.
