Dear Sir,

Ref Temporary Single storey side extension to form new entrance lobby & disabled WC facilities. This application affects the character & appearance of the Walberton Village Conservation Area. – Walberton Baptist Church, The Street, Walberton BN18 0PG.

With reference to the above mentioned development I have submitted the planning application for temporary approval of the structure which was commenced 30 January 2019

I would suggest that we seek a 12 month temporary approval which will give the church enough time to arrange for sufficient funds to be in place to build the permanent extension which was approved last year – LPA reference WA/54/17/PL.

It is hoped that the submitted information with this application is acceptable and that it will be approved in due course, however, should you have any queries please do not hesitate to contact me.

Yours faithfully,

Chris Moore BSc (Hons), C.Build E MCABE
