Dear Nicola Moore

Thank you for your emailed letter of 03 August, upon which I am taking my Client's instructions.

I should be able to provide you with written details and a specification of the proposed gateway. However, if you require this information in the form of a plan I would ask, please, that you extend the period by which it has to be submitted as I will need to instruct the architect to prepare the plan and I know he is somewhat busy at the present time.

I look forward to hearing from you.

Yours sincerely

Richard Maile
