

LIDSEY FOUL WATER CATCHMENT AREA STATEMENT
WESTING HOUSE, BARNHAM LANE, WALBERTON.

Introduction:-

The proposal falls within the Lidsey Foul Water Catchment Area.

Proposal:-

The proposals waste will be connected into the existing foul water system that is already connected to the foul water sewer so therefore no new connection will be required to serve the proposal's installations.

Surface Water:-

No stormwater connections will be made to the foul water system.

Rainwater from the proposal is to be dealt with through designed soakaways, by means of a percolation test, into the ground which is the preferred option of the Local Authority Building Control.
