Dear Sir/Madam,

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

Application No: WA/44/26/A
Site Address: Linden Homes Development, Avisford Grange Land East of Tye Lane Walberton BN18 0GX
Description of works: 2 No. non illuminated aluminium composite signs on metal posts, 5 No. non illuminated composite signs on metal posts, 2 No. non illuminated aluminium composite tray signs with internal aluminium metal posts and 4 No. 6m flagpoles to support vertical flags.

Thank you for your internet representation made on 7th June 2026 which has been recorded as an objection with the comments as follows:

OWPC83934

We object to this application for the retention of signage and flags until May 2030 as all properties at Avisford Grange are now sold. Therefore they no longer serve as a marketing tool for this development.

Plan drawing 4site drawing Rev 2 strongly implies that Vistry are intending to market The Landings at Ford from Avisford Grange, albeit that it is somewhat misleading as it states "The Landings @ Avisford". However as the application is to retain signage and flags at Avisford Grange until May 2030 we believe it is Vistry's intention to market their Ford development from here. The fact the show home remains unsold and unoccupied further enhances this theory.

We sincerely hope this application is rejected and all marketing materials are removed without further delay.

Your views as made above will be considered before the application is determined.
