Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/45/26/PL
Site Address: Avisford Park Golf Club Yapton Lane Walberton BN18 0LS
Description of works: Installation of additional 30m (w) x 15m (h) of Golf protection-net fencing to southern boundary of Avisford Park Golf Club. This application may affect the setting of a listed building and is in CIL Zone 3 (Zero Rated) as other development.

Thank you for your internet representation made on 11th June 2026 which has been recorded as an objection with the comments as follows:

OWPC84045

I object to the proposed extension of the golf netting. The existing netting is already highly visible from our property and has had a negative impact on the view. Increasing its extent will further worsen the visual appearance and outlook from our home. We have never experienced any issues with golf balls reaching our property, and we purchased the house with the expectation that the current situation would remain unchanged. The proposal would therefore create additional visual harm without any demonstrated benefit to our property.

Your views as made above will be considered before the application is determined.
