Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/45/26/PL
Site Address: Avisford Park Golf Club Yapton Lane Walberton BN18 0LS
Description of works: Installation of additional 30m (w) x 15m (h) of Golf protection-net fencing to southern boundary of Avisford Park Golf Club. This application may affect the setting of a listed building and is in CIL Zone 3 (Zero Rated) as other development.

Thank you for your internet representation made on 13th June 2026 which has been recorded as support with the comments as follows:

OWPC84069

It is crucial that this netting remains for health and safety reasons. My property, cars roof tiles and windows have all been severely damaged from wayward golf balls. Sitting in our garden was no longer safe as golf balls regularly land there at speed. These balls arrived at up to 90 Mph. Linden homes were given the responsibility in the planning approved in 2019 to erect netting to this boundary, but never completed it. The golf club are required by law to secure their boundary but they never have either.

Your views as made above will be considered before the application is determined.
