Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/45/26/PL
Site Address: Avisford Park Golf Club Yapton Lane Walberton BN18 0LS
Description of works: Installation of additional 30m (w) x 15m (h) of Golf protection-net fencing to southern boundary of Avisford Park Golf Club. This application may affect the setting of a listed building and is in CIL Zone 3 (Zero Rated) as other development.

Thank you for your internet representation made on 14th June 2026 which has been recorded as an objection with the comments as follows:

OWPC84074

In principle we do not object to the netting being installed for resident's safety. However, we feel that a compromise needs to be found as other residents have bought their properties to enjoy the golf course view. We understand that there are safety issues and we sympathise with the residents affected by the golf balls, however, we feel that the current netting is not in keeping with the first phase of black netting already in situ. Residents were advised that a meeting would be arranged with the Council, golf club representatives and councillors all attending to discuss the issues with residents. This huge eyesore was then erected without a meeting being arranged or all residents being consulted in any way. It is for these reasons that we are objecting to the retrospective planning permission.

Your views as made above will be considered before the application is determined.
