To whom it may concern,

With regard to your request for missing elements of the application;

1. A cheque for £170 is in the post – pleas let me know if this is not received by Friday.
2. Please see the attached Location plan, showing the site boundaries (for Stuart Lyons Haulage only)
- 3 DAS

'We have been in contact with our neighbours over the last year to try and reduce the noise impact of our operation.

In March we erected a 2m acoustic fence along the southern perimeter.

Our Nearest Neighbour (Firefly) is still finding that noise if travelling over the acoustic fence.

It has been identified that by raising the height to 3m, using the same materials, there should be a significant reduction in noise levels travelling to their property.

The proposal is simply to fill the gaps between the existing higher posts with the same tongue and groove softwood as on the existing fencing.

Photos were included in the application showing existing fencing. I also included a spec. for the acoustic fencing.'

Please let me know if any additional information is required...

Kind regards,
 Andy
