

Julie Grieves

Dear Mr Richards,

I have validated the above application but for some reason the system omitted the following paragraph to the acknowledgment letter

The following drawings do not accord and will required updated plans to be submitted.

P1549.302A.17 & P1549.302.A.18

P1549.408.01 & P1549.408.03

P1549.408.04 & P1549.408.06

P1549.408.07 & P1549.408.08 & P1549.408.09

P1549.408.10 & P1549.408.11 & P1549.408.12

P1549.408.13 & P1549.408.14

P1549.305B.08 has a bug and we are unable to open/upload

Please provide an amended location plan to show the access points/visibility splays

The streetscenes that need replacing were not in the previous zip file. Please forward by PDFs

Please forward all further correspondence to Raymond Cole, the Case Officer for the application. PDF files are much easier to work with if you could possibly send them that way

Kind regards

Julie
