Morning Ray,

Appreciate the Committee in early September is going to be challenging to meet so happy to agree to the October extension on the premise that we would be eternally grateful if we could do everything we can to report it to the October meeting.

Look forward to receiving your comments.

Kind regards,

John Richards

Morning Chris,

Not yet, I'm just waiting for clarity from Ray regarding receipt of comprehensive officer advice prior to committing to a longer timescale but I'm sure there won't be an issue.

Ray – if you could come back to me when you can and we'll get the extension agreed.

Kind regards,

John Richards

Hi Ray,

Can I just confirm that the meeting with Claire on Tuesday is to run through your 'interim' advice which you have already drafted and then it will be issued immediately following. We just want to ensure we'll be getting something next week.

If you could just confirm.

Thanks.

Dear John

Thank you for your e-mail sent on Monday evening.

I have now received the outstanding responses to consultation, as well as advice from a design perspective. All of the consultation responses have been uploaded to the file and are available to

view on the Council's website

(http://www1.arun.gov.uk/PublicViewer/Authenticated/Main.aspx?user_key_1=WA/48/19/RES).

Claire is away from the office on annual leave this week but we have scheduled a time to discuss and agree the collective response when she returns next Tuesday, 20 August 2019. Consequently, I'll be able to get back to you following that discussion.

I am aware that the time period in which to determine both this application, for the approval of reserved matters, and the application to discharge condition 7 (Design Code) expires the following week, on 27 August 2019. I am also aware that there is insufficient time to complete and publish a report for the meeting of the Development Control Committee on 4 September 2019. The next available meeting of the Development Control Committee will be held on 9 October 2019. Please could we therefore agree an extension of the time period in which to determine both applications until 11 October 2019?

Thank you

Ray

Hi Raymond,

I am conscious you were expecting to issue your collective response to the scheme last week and I just wondered when you are now expecting to be in a position to do this?

Thank you.
