Subject: FAO Raymond Cole: Highways England response (our ref 87207) re. WA/48/19/RES - Land to the East of Fontwell Avenue

For the attention of: Raymond Cole

Planning Application No: WA/48/19/RES

Site: Land to the East of Fontwell Avenue, Fontwell Avenue, Fontwell

Proposal: Approval for Reserved Matters following outline permission WA/22/15/OUT comprising 400 new homes (incl. affordable), 360sqm of retail space (A1 to A3), 152sqm of community space (D1 to D2 & including retention & refurbishment of 12sqm 'old smithy'), demolition of remaining buildings to Arundel Road along with public open space, LEAP, MUGA, allotments, car & cycle parking, drainage & associated works - This site also lies within the parish of Barnham & Eastergate.

Highways England reference: HAMIS 87207

Dear Mr Cole,

Thank you for your consultation notification of 4 February 2020 regarding the above application.

Highways England has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and as such Highways England works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity. Highways England will be concerned with proposals that have the potential to impact on the safe and efficient operation of the SRN, in this case the A27.

Further to our previous attached response, we have reviewed the updated plans and have the following additional comments:

- Having reviewed RCP's Drainage Strategy and SUDS statement (January 2020), we note the introduction states *"The purpose of this strategy is currently not to seek to discharge the current planning conditions relating to the surface water and SuDS of the Outline Planning Notice (WA/22/15/OUT) but rather to support the Reserved Matters application and to demonstrate that a surface water drainage solution can feasibly be delivered to support the detailed layout. Further details, including detailed hydraulic calculations, detailed drainage layouts and associated drainage construction details will be developed and submitted as part of a separate and future Discharge of Conditions application"*. We also note that it does not cover the employment area in the northwest corner of the site adjacent to the Fontwell West roundabout. Therefore, we expect that prior to the commencement of any works on the site hereby permitted, a detailed drainage scheme based on RCP's Drainage Strategy and SUDS statement (January 2020) shall be submitted to and approved in writing by the local planning authority (who shall consult Highways England) before the planning conditions relating to the surface water and SuDS of the Outline Planning Notice (WA/22/15/OUT) can be discharged and that, thereafter the approved scheme shall be implemented as agreed.
- With regard to streetlighting, we note that the plans do not cover the employment area in the northwest corner of the site adjacent to the Fontwell West roundabout, and therefore we expect that prior to the commencement of any works on the site hereby permitted, a detailed lighting scheme shall be submitted to and approved in writing by the local planning authority (who shall consult Highways England) before the planning conditions relating to streetlighting of the Outline Planning Notice (WA/22/15/OUT) can be discharged and that, thereafter the approved scheme shall be implemented as agreed.

Subject: Highways England response: Planning Consultation on WA/48/19/RES - Land to the East of Fontwell Avenue

For the attention of: Raymond Cole

Planning Application No: WA/48/19/RES

Site: Land to the East of Fontwell Avenue, Fontwell Avenue, Fontwell

Proposal: Approval for Reserved Matters following outline permission WA/22/15/OUT comprising 400 new homes (incl. affordable), 360sqm of retail space (A1 to A3), 152sqm of community space (D1 to D2 & including retention & refurbishment of 12sqm 'old smithy'), demolition of remaining buildings to Arundel Road along with public open space, LEAP, MUGA, allotments, car & cycle parking, drainage & associated works - This site also lies within the parish of Eastergate

Highways England reference: HAMIS 84934, Tracker #7919

Dear Mr Cole,

Thank you for your consultation notification of 13 June 2019 regarding the above application.

Highways England has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and as such Highways England works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity.

Highways England will be concerned with proposals that have the potential to impact on the safe and efficient operation of the SRN, in this case the A27.

The applicant should be aware that Highways England will not accept any surface water run off or new connections from the development into the A27 highways drainage system (DfT Circular 02/2013 paragraph 50 applies). On this basis, the reserved matters in this application do not have an impact upon the safety or operation of the SRN and we do not have any comments or objections.

If you have any queries regarding this response, please contact us at
