Dear Sir/Madam

The Town & Country Planning Act 1990 (as amended)

Approval for Reserved Matters following outline permission WA/22/15/OUT comprising 400 new homes (incl. affordable), 360sqm of retail space (A1 to A3), 152sqm of community space (D1 to D2 & including retention & refurbishment of 12sqm 'old smithy'), demolition of remaining buildings to Arundel Road along with public open space, LEAP, MUGA, allotments, car & cycle parking, drainage & associated works - This site also lies within the parish of Barnham & Eastergate.

Land to the East of Fontwell Avenue Fontwell Avenue Fontwell

Thank you for your internet representation made on 1st March 2020 which has been recorded as **'an objection'** with the comments as follows:

*I am concerned with the way the developers have been allowed to ignore the spirit of policies within the NPPF and the Wildlife & Countryside Act 1981. The ancient Walberton /Eastergate parish boundary has been decimated and fragmented
The examiners Report of 2016 recommended these landscape features must be retained as vital wildlife corridors with continuity from other
species rich areas e.g. Wandley's Copse, It is now confirmed that Red Listed species Hazel Dormouse (muscardinusavellanarius) and possibly others are present on this site, as was suspected in the Phase 1 survey of 2014/15 dubiously withdrawn by
the developers shortly after (one wonders why?)
With the governments recognition of the extinction
emergency and the threat to our lowland habitats
this site has greater value than yet more housing
blight.*

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or

breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
