2nd March 2020

Dear Sir/Madam

The Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Approval for Reserved Matters following outline permission WA/22/15/OUT comprising 400 new homes (incl. affordable), 360sqm of retail space (A1 to A3), 152sqm of community space (D1 to D2 & including retention & refurbishment of 12sqm 'old smithy'), demolition of remaining buildings to Arundel Road along with public open space, LEAP, MUGA, allotments, car & cycle parking, drainage & associated works - This site also lies within the parish of Barnham & Eastergate.

Land to the East of Fontwell Avenue Fontwell Avenue Fontwell

Thank you for your internet representation made on 1st March 2020 which has been recorded as **'an objection'** with the comments as follows:

I have concerns with the application for 400 new homes based on the sheer quantity of houses in a village environment.

With this number of homes more thought needs to be applied to drainage, these fields do flood, air pollution of the number of cars required to access the houses and the factory fumes that may omit from it. Light pollution particularly affecting the existing houses in the village.

I also note the cycle path to nowhere serves no purpose as it does not link with the newly created cycle path through Fontwell that is underused for the purpose it was intended and is in fact commonly used as a CAR PARK!!!

The new estate needs to have sufficient parking for not only residents but visitors including health care professionals and discourage road side parking to enable good access for emergency vehicles.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website

and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
