With reference to the above project I confirm that technical approval is granted for your design.

The approved plans and revisions are as follows:

[illegible]

- 2 15 copies of the agreement drawing with the works status changed to approved for construction.
- 2 2 copies of all supporting drawings with the works status changed to approved for construction.
- 2 An electronic copy of each drawing with the works status changed to approved for construction.
- 2 A cost estimate of the works

- 1) the highway agreement is in place
- 2) a pre-start meeting has been held, at which traffic management will be agreed
- 3) all pre-start requirements have been carried out - these will be listed within the agreement or may be set as planning conditions.
- 4) the roadspace for the works is booked.

The Highway Inspector for your site will be Chris Redman who can be contacted on the following number [REDACTED] by email [REDACTED] to discuss pre-start procedures such as traffic management, advance notification signs and letter drops.

Road space can be booked on our website at [h](#) [REDACTED]
