Dear David

You will be aware that the revised plans, drawings and documents for this application are currently the subject of further consultation and publicity and that I will soon need to prepare a further report for consideration by the Development Control Committee on 28 October 2020. You will also be aware that the time period within which to determine this application expired on 29 May 2020.

Please could you confirm your client's agreement to an extension of the time period in which to determine the application until 30 October 2020, as requested in e-mails that I sent to you on 1 July 2020 and 15 July 2020?

Thank you
