Dear Ms Eggington,

Thank you for your letter dated 1st February, requesting additional information for the above application. Please find attached and listed below the following as requested:

1. Please find attached drawing 2943-01 revA, revised to show dimensions to the site boundaries from the building in question.
2. I can confirm that the building in question is to be ancillary to the main dwelling, and is not to be used as a separate unit.
3. Description of works (retrospective): Alterations to the approved detached garage / store to be used as a detached garage / annexe to the main dwelling.
4. Please find attached 'Approved' planning drawing, marked with 'APPROVED' on the plan.
5. Lidsey Foul Water: I can confirm that the foul drainage from the annexe accommodation in the building in question has been connected to the existing mains foul drainage on the site. This has been inspected and approved by Arun District Council Building Control.

I trust that you find this information satisfactory, however, please let me know if you need anything further.

Yours sincerely,
