

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Do you want me to take this e-mail as a withdrawal request?

Yes Anita, please will you withdraw the application.
 It's sort of redundant now a Building Regulations Application and a proper commencement is in progress.

Thanks for your help
