Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: WA/50/20/RES
Site Address: Former Lanes End House West Walberton Lane Walberton BN18 0QS
Description of works: Approval of reserved matters following outline consent WA/26/18/OUT for appearance, landscaping, layout & scale for the demolition of 1 No. dwelling & the erection of 6 No. dwellings (resubmission following WA/7/19/RES).

Thank you for your internet representation made on 21st October 2020 which has been recorded as an objection with the comments as follows:

OWPC30584

This plot of land is not suitable for 3 story properties, as all the houses around it are substantial in size and are two stories. Not in keeping with the area. There are a lot of IUCN Red List species that are using this site, to gain access to Wandleys Ancient Copse, and also the Dandara site a stones throw away has Dormice in the hedgerows. The householder has filled in the drainage ditch to the back of the property, which will lead to surface water run off in Arundel Road, by Barnfield House the water already runs down West Walberton Lane. Under ADC's Design Guide the proposal is not acceptable.

Your views as made above will be considered before the application is determined.
