Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: WA/50/20/RES
Site Address: Former Lanes End House West Walberton Lane Walberton BN18 0QS
Description of works: Approval of reserved matters following outline consent WA/26/18/OUT for appearance, landscaping, layout & scale for the demolition of 1 No. dwelling & the erection of 6 No. dwellings (resubmission following WA/7/19/RES).

Thank you for your internet representation made on 26th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30668

The number and the type of houses are not in keeping with the other houses in West Walberton Lane. This development will be totally out of character with all the surrounding properties. Some of the houses are right on the edges of the plot and will take away the privacy of adjoining properties.

In West Walberton Lane there are already problems with excess water during autumn and winter months with current drainage only just capable of dealing with the waste water of current properties and the rainfall during those months. This development is very likely to overload the current wastewater system.

Your views as made above will be considered before the application is determined.
