Dear/Madam

Application WA/50/20/RES

This planning application is totally unacceptable, and I strongly object to it.

People have chosen to live in West Walberton Lane because it is a peaceful area of ancient woodland. Most residents have numerous mature trees and shrubs. It is rich in wildlife. For example, we have slow worms, hedgehogs and toads in our garden. There are very few street lamps in the lane, so light pollution is negligible.

3 storey houses are completely out of character for this area. 6 houses are excessive. The houses will be very close to Woodland, the house next to Lanes End. I gather that windows will overlook Woodland with resulting loss of privacy, in addition to noise pollution.

It is well known that there is a drainage problem with sewage backing up into the gardens of properties on the other side of the road. You will note that the majority of houses in West Walberton Lane have gravel drives, even the most recently built.

We know that there is running sand in the Lane.

Please do not allow this development.

Yours sincerely

Ashley Levantine
