Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: WA/50/20/RES
Site Address: Former Lanes End House West Walberton Lane Walberton BN18 0QS
Description of works: Approval of reserved matters following outline consent WA/26/18/OUT for appearance, landscaping, layout & scale for the demolition of 1 No. dwelling & the erection of 6 No. dwellings (resubmission following WA/7/19/RES).

Thank you for your internet representation made on 29th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30803

The 6 large three storey houses proposed for this site are not in keeping with either the well wooded rural location or the surrounding properties.

The visual aspect of the fencing/hedging that will be adopted between each plot needs to be addressed. Also the rear gardens of plots 3,4,5 and 6 will back onto West Walberton Lane for approx 200ft. so consideration must be given to retaining the rural characteristics of the Lane at this point.

The plot 6 house is shown as a 3 storey 6 double bedroom layout with a different appearance to the others on the estate.

The future effect on the wildlife here would be affected due to the increased use of the various vehicles, activities, etc required to serve the needs of this application.

The drainage problem down West Walberton Lane has already been well discussed.

Your views as made above will be considered before the application is determined.
