We have received a planning and listed building application for Repairs and Alterations to Slindon Estate Southern Gateway which is cross boundary application with the South Downs National Park Authority. I attach a copy of the location plan. A small section of the site lies within Arun District Council and the majority of the site and the listed building element lie within the Park.

I have contacted the agent and advised him that he will need to make an application to you as well as to us. As the largest part of the site lies within your area, the fee is payable to you in accordance with the Town and Country Planning (Fees for Applications, Deemed Applications, Requests and Site Visits)(England) Regulations 2012 Schedule 1 Article 8 . I have also advised that it is calculated at one and a half times the amount that would have been paid if the application was made to a single authority. [REDACTED]

The application is not yet valid but once it is valid we will consult you on our application and I imagine you will be doing the same on your application

I understand that the agent will be contacting you in due course

Yours faithfully

Nicola Spencer
