Dear Mr Jupp,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application for Planning Permission

Development: Removal of residential caravan and erection of 1 No. self-build dwelling. This application is In CIL Zone 3 and is CIL liable.

Location: Cherry Tree Nursery Eastergate Lane Walberton BN18 0BA

Thank you for your recent application which I received on 25th June 2025. It is being validated by Jonny Cooper who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a valid application until the following item(s) have been received or resolved :-

Street Scene

Street scene drawings of photomontages are required when a proposal is set between existing development or there is an increase in the height of the building and it is visible from the public realm.

Plans

The window serving the kitchen scales at 1.1m on the proposed elevation, but at 1.45 m on the proposed floor plans. Please amend accordingly and resubmit.

Please include the solar panels on the proposed roof plan.

Protected Species and Site Survey

A Preliminary Ecological Appraisal (PEA) or similar, should be provided to inform the sites ecological baseline. This should include a desktop search of the Sussex Biodiversity Records Centre Data. The results should be used to inform the need for additional surveys for protected species/sites. All further species specific surveys must be submitted as part of the application before the application can be validated. Further information on what is required and where to seek guidance can be found in the Validation Requirements List.

Surface Water Drainage Information

Please provide the required surface water drainage information in separate documents as indicated in the planning Validation Requirements List.

Lidsey Drainage Impact Assessment

This application is for development with the Lidsey Wastewater Treatment Works Catchment Area and a statement explaining how foul and surface water is to be drained from the site is required. The statement must include what measures will be implemented by the applicant to reduce the impact of foul and surface water drainage in the catchment area. Further details of what must be included can be found in the Validation Requirements Lists.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>

If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

If providing additional documents or information, please email it to: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **10th July 2025** or your application will be closed as incomplete and where a fee has been paid, I will retain £40.00 (or the entire fee, if less than £40.00) to cover the cost of administering the return. If you have difficulty meeting this deadline please contact the above officer to agree an extension to this time scale. Once the application has been closed, you will need to submit a fresh application if you still want to proceed.

Yours sincerely

Neil Crowther
Group Head of Planning
