FOR THE ATTENTION OF THE DIRECTOR OF PLANNING
Arun District Council

Dear Sir

**re: proposed minor amendment (alterations & additions) – Murroes Dairy Lane
Walberton BN18 0PT**

This application follows WA/36/20/HH approved 7.8.20, subject to conditions.

Further to discussions with all relevant parties we have come to the conclusion the approved scheme does not quite achieve the space and layout required. The amended scheme increases the proposed kitchen width and reduces the proposed study width. Hence a minor amendment application is required.

I shall be pleased to discuss the scheme with the Case Officer in due course and answer any queries regarding the proposals.

Yours faithfully
for PH DESIGN
