

## Conservation Area Advisory Committee

Meeting Date : 4th September

| Ref | Description | Address | Design award |
|-----|-------------|---------|--------------|
|-----|-------------|---------|--------------|

|             |                                                                                                                                                                                   |                                                                     |
|-------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------|
| WA/54/17/PL | Single storey side extension to form new entrance lobby & disabled WC facilities. This application affects the character & appearance of the Walberton Village Conservation Area. | Walberton Baptist Church<br>The Street<br>Walberton<br><br>BN18 0PG |
|-------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------|

Comments: *Objection*

Suggested Conditions: *The design & location of the proposed extension in the context of its proposed use. However there are concerns regarding the design & appearance of the roof which would be seen from the street scene. The front elevation could be improved by the use of a parapet wall & coping*
