Good Evening Charlotte

Please find revised floor plan attached showing doorway as requested.

As to the Lidsey Foul Water issue there will be no facilities in the structure that will require connections to the foul water drainage system.

I hope this clarifies the missing info and we look forward to hearing from you.

Hi Russell,

On the Lidsey Foul Water issue - you can just need to confirm that there are no connections to the foul water drainage system – email to:-

Charlotte.Burrows@arun.gov.uk and planning@arun.gov.uk to make sure they get it.

On the comment regarding the correctly annotated floor plans – I would need to see what you submitted before I could comment, however, I would just phone Charlotte Burrows and ask direct – it is probably something silly like a title block so could be done pretty quickly.

Cheers,

Chris Moore
