Dear Mr Denton...
Re- WA/55/17/T Tree Pruning.

We agree with the pruning of the tree to Downs House.
As attached photo's you can tell that various branches are now touching our roof and when the wind blows it hits the house repeatedly.
We would like the tree pruned back a bit further if possible, so that we have the same outlook to our garden as we had before.
Again, please see attached photo.

Regards
