Dear Ms Riches,

RE: Land East of Fontwell Avenue Fontwell

Thank you for your letter dated the 29th June 2022, advising me of the planning application at the above location.

I have now examined this application and wish to advise you that it does not match our agreed criteria of: -

- 1) 10 or more residential units,
- 2) Commercial applications in excess of 1,000 m² floor space,
- 3) Any other application that, in the opinion of the Planning Authority or Sussex Police, would benefit from crime prevention advice.

I thank you for allowing me the opportunity to comment.

Yours sincerely
