Dear Sirs

**Re; Proposed Single Storey Living Room Extension at Folie House, Wandleys Lane,
Fontwell**

Please find enclosed planning application for the above, together with a cheque for £150.00.

The proposal is relatively minor, providing an additional 8.6m² of living accommodation to the ground floor. The material construction of external elevations will match the main house for brickwork, joinery to windows and doors, soffites, fascias and also roof tiling.

The proposal is unsighted from the public highway and will blend in with the existing structure to provide a consistent finish, not adversely impacting on the visual aspect of the existing elevations.

Please accept this letter as a supporting document to this application. Should you require further information, please do not hesitate to contact me.

Yours f

Roger Harden
