Dear Mrs Gardner,

I am objecting to this application (ref **OWPC15638**) on the grounds that it does not protect neighbours privacy from overlooking and I am attaching some photos to support my objection.

Regards

Mike Roddham

Two views from northern neighbour's patio showing that the screening for which permission is sought can easily be looked over or through and offers no protection for neighbours' privacy

Two views showing clearly the gaps around the balustrade and panels, meaning that they do not form a meaningful barrier to overlooking.
