Hi Anita,

My apologies, but I'm afraid I don't see what you mean with the gap? I have shown the outline of the glass in cyan on the attached, which does show the gap as featured in the photos. I hope that's shown adequately but if not, please can you call me in the office.

Also, please accept this email as agreement to an extension of time until 20th October 2017.

Kind regards,
Russell McCourty ACIAT

Dear Russell,

I have started to look through the above application with a view to getting it onto the October committee agenda . I note that the 1:20 balustrade elevations do not coincide with submitted photographs. There is a gap around the glazing which is not detailed on the submitted elevations. This will need to be amended prior to Committee on 18-10-2017.

Without prejudice, I would also appreciate your agreement to an extension of time until 20-10-2017 to allow time for the application to be considered at the Committee and for the decision to be issued subsequently.

Regards
