29th October, 2020.

Dear Mr. Crowther,

Planning Application WA/57/20HH.

I have seen the plans for the roof extension and loft conversion with Dormer window to No.8 Prime Close, Walberton and I want to register my objection to the Dormer window extension on the front roof. This is totally out of character to the rest of the bungalows and extensions in Prime and Henty Close. All extended roofs fronting the road have Velux windows and these do not alter the appearance and character of the estate.

If you allow this Dormer window you will set a precedent for future applications.

Yours sincerely,
