Dear Mr Boswijk,

I apologise for the delay in dealing with your application. I have an extremely high case load and most of it is urgent. I am working on my applications in date order and unfortunately yours is not as old the others I have been prioritising. I would be grateful if you would agree to an extension of time on the application until 17-10-2018 to allow me the opportunity to consider your proposal and discuss with other officers prior to writing my report. I am also still awaiting the comments of the environmental health officer which I would hope would be received within this time frame.

Regards

Anita Gardner
