Subject: WA/58/20/DOC - land rear of Woodcroft, West Walberton Lane, Walberton

Dear Andrew,

In relation to condition 8 (EV charging) the above, the allocation of electric vehicle charging points is adequate for the number of dwellings. Please may the applicant confirm whether the facilities marked as 'Socket for the provision of electric car charging' on drawing no. 54_17_104 are intended to be functioning charge points or dedicated outlets/sockets, solely for EV charging (or something else)?

Many thanks,

Kate.
