Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/58/21/PL
Site Address: Brookview Nursery Eastergate Lane Walberton BN18 0BA
Description of works: The removal of outdoor storage, including caravan & polytunnels, the erection of 7 workshop units comprising of 12 offices & 3 commercial units, associated parking, drainage and turning spaces. This application is in CIL Zone 3 (Zero Rated) as other development

Thank you for your internet representation made on 9th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39434

The site has issues with flooding nearby and further development will adversely impact the situation; Walberton NDP Policy VE7 applies.

The development potentially interferes with a documented biodiversity corridor; Walberton NDP policy VE10 applies. There is no documentation of impact on bats or other wildlife despite proximity to the Singleton/Cocking Tunnels Special Conservation Area.

Other business parks (eg Sussex Business Park, Walberton, seem to have problems maintaining occupancy despite better location (eg Yapton Lane, closer to A27); I fail to see how this application addresses the potential shortfall.

Your views as made above will be considered before the application is determined.
