

Planning Officer : James Smith (Damian Sullivan ? )

Planning Application Ref: WA/59/13/TC

Location : St. Marys Church, The Street, Walberton

Description of work:

**Holly (*Ilex aquifolium*)** – request to fell the tree within Walberton Conservation Area

Reasons Given:

- A weak and distorted tree that is disrupting gravestones

Recommendation:

|                      |  |                    |   |                           |  |
|----------------------|--|--------------------|---|---------------------------|--|
| NO Objection         |  | Comment            | X | Dead & Dangerous          |  |
| Object               |  | Recommendation     |   | Abate a Nuisance          |  |
| Conditions Suggested |  | CA & Amenity Value |   | Tree Replacement required |  |

Comments On Application:

- There is a listing of email correspondence between Ian Brewster and a Peter Brown
- As there is no paperwork or plans on the system I have assumed that this is a case of Ian

Having already done the legwork and then asked them to submit a formal notification which is also now out of time

**Conclusions:**

**Unable to determine**
