Peter,

We cannot apologise enough for the current delay in decision for the above application.

I am a new case officer at Arun District Council and wanted to touch base and understand your clients current expectation for receiving a decision? This will assist me with a managed response rate. Committee has been something of a priority this last week.

I have visited the site, met the owners and have assessed the impact and considered the proposal should receive a favourable recommendation. If you could assist with an extension to the decision time would be a tremendous help.

20<sup>th</sup> September 2018?

Best regards
