Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/59/20/PL

Site Address: Land East of Tye Lane Walberton BN18 0DN

Description of works: A re-plan of part of the approved (outline planning permission WA/44/17/OUT and reserved matters approval WA/95/18/RES) and partially implemented development on the site, which currently has approval for 175 dwellings; to develop an additional 30 dwellings including 9 affordable units on part of the site. The proposal includes an increase in the number of dwellings on part of the site from 81 units to 111 units.

Thank you for your internet representation made on 15th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30443

As a village Walberton is already being dwarfed by this development in respect of the % of new homes decided. Another 30 shoe horned in is unacceptable both for the infrastructure already at breaking point & for the overall well being of the poor people who will end up in these shoeboxes. As today has seen the announcement by Highways England that the chosen route for the A27 is to pass almost over this site it is certainly not to be allowed to be any larger. Otherwise ADC would be complicit in engineering greater compensation from the public purse.

Your views as made above will be considered before the application is determined.
